1973

From the very first day of school, until the last day of school, Scotts Hill School hustles with continual activity. During the year Scotts Hill School has not only regular classes but also a rich variety of extracurricular activities. It is decorated with posters, pictures, and different signs. It is filled with suspense during competitive projects. It is filled with the sound of happy voices. In the following pictures of a year of activities, Scotts Hill School can be truly shown as a school on the move.

It seems as though it were only a few short years ago when I used to look forward to a bedtime story. Then came the beginning of my school years. But the years flew by and new things filled my desires ... clothes, the use of the family car, dates, and money. Yes, and you, Mom and Dad, were the ones who always shared these things with me. You laughed when I laughed; cried when I cried. You knew and understood that all these things were just a part of my growing stage.

And so, Mom and Dad, I offer this dedication to you to express my appreciation for all the loving memories of your trust, confidence, wisdom, understanding, friendship, and love you have given me through these years.

The publication of the 1973 yearbook has been both a pleasure and a challenge to all of us.

To the teachers, students, the advertisers, and all who purchased a yearbook, we wish to express our appreciation for making this edition possible. We wish to express a very special thanks to Mr. Woody for his co-operation and for the many pictures he made for us.

We hope that you will find in these pages warm and happy memories that were a part of your school life at Scotts Hill School in 1972-73.

THE LION STAFF
